TC 1700

A concise explanation of the relevance of the remaining references is additionally found within the European Patent Office Search Report. See MPEP §609.

Applicants respectfully and specifically note that while the category X document (JPA 10272370) discusses a water softening system, there is no disclosure at all of controlling the flow of incoming untreated water to each of the first and second water softeners as is specifically required in the application.

Applicants respectfully request that the examiner consider the enclosed prior art reference materials in the examination of this application.

No fees are deemed necessary for the submission of this Information Disclosure Statement, as it is being filed before a first office action in this Application. However, if any fees are necessary in connection with the filing of this Information Disclosure Statement, please debit our Deposit Account No. 13-4550.

The citation of this information does not constitute a waiver or admission of priority or that any cited item is available as a reference, or a waiver of any right under applicable statutes, codes, rules, or otherwise.

Respectfully Submitted,
